Dear Paul,

I would like to express my gratitude for the sessions that you conducted for my staff.

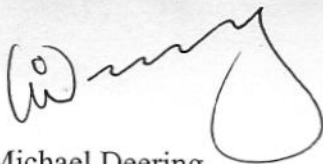

As you are fully aware my staff were very set in the way they conducted their business and worked as individuals, and now there is more of a team emphasis.

The audio visuals with Chet were excellent, plus your input, which bought the test cases into reality with our line of business, and this has assisted us greatly.

The time management segment certainly helped me personally, and I know Ron and the other staff have found the benefits.

Paul, I have no hesitation in recommending Edensilk and the Mega Marketing and Sales Program.

Yours sincerely

Michael Deering
Managing Director
