TO WHOM IT MAY CONCERN

Dene Marfleet has been our accountant for the past few years and we're more than happy to provide a reference for his services.

Four Corners Travel has been trading for 24 years and we've used a couple of accountants in this time. We were pleased that Dene was referred to us by our book keeper, Leanne. Our discussions with Dene on a regular basis have proved a real benefit to the business.

It is well worth getting together to discuss our past and present performance and we really appreciate his advice on financial issues going forward. He has definitely helped us improve our bottom line.

Yours sincerely,

Bill Macindoe
